CAN PAY DEPOSITORS

Transaction With Railroad Most Daring Stock Operation Launched in Years.

London, June 6.—Chaplin, Milne, Grenfell and Company, Limited, the well-known firm of merchants and bankers in Princes street, suspended today.

The company was registered in 1859 to take over the business of Morton, Chaplin and Company (formerly Morton, Rose and Company). Its authorized capital is \$1,750,000. The firm is an old established one with high reputation and excellent family connections. It conducted general and private banking and a company for promoting business. The directors include Ernest Chaplin, G. Grenfell Milne and R. W. Skipwith. The failure is believed to be the result of large operations in Grand Trunk by Arthur Morton Grenfell, who was formerly a member of the firm and whose dealings recently have been the subject of much gossip. It is said several Canadian and other companies wherein he was interested are involved.

PREMIER UNABLE TO FORM CABINET

Statesmen Selected Are Hopelessly Divided as to Policies to Be Pursued.

PROMPT RESIGNATION

Three-years Military Service Rock on Which Official Opinion Splits.

Paris, June 6.—Rene Viviani, who yesterday was said to have accepted the premiership and to have virtually selected all the members of the new cabinet, today informed President Poincaré that he was unable to form a ministry and declined to make any further efforts to do so.

There was heated discussion when the statesmen chosen by M. Viviani met informally today to prepare their declaration of policy to be laid before parliament. The question whether the new combination should unreservedly support the three-years military service law or modify it, found a hopeless division of opinion. As a consequence of this discussion, M. Viviani at once proceeded to the Palace of the Elysee and told the president he had decided to give up his attempt to form a cabinet.

Russia Urges Old Method.
It was said Maurice Paléologue, French ambassador, who arrived here last night, had informed the president it was the earnest hope of the Emperor of Russia that France would not modify the three years army service and that he had intimated that any such step would tend to weaken the alliance between France and Russia.

M. Paléologue is reported as having said he would be obliged to resign his post at St. Petersburg if the law were changed.
A presidential decree has been already drafted and was ready to be issued today announcing the composition of the cabinet previously formed by M. Viviani when the fresh ministerial crisis arose.

TAMPICO TO BE UNDER BLOCKADE

Presidential Decree to Be Published in Official Organ in Mexico City.

BOAT UNLOADS ARMS

Entire Consignment for Constitutionalists Deposited in Customs House Without Molestation.

Mexico City, June 6.—A presidential decree declaring the port of Tampico under blockade is to be published this afternoon in the Diario, official organ.

Tampico, June 5.—(By way of Brownsville, Texas, June 6).—On the arrival here today of the American schooner Sunshine from Galveston with 3,000,000 Mauser and Winchester cartridges for the Constitutionalists authorities, Admiral Mayo sent Flag Lieutenant Arthur B. Cook to learn the character of the cargo.

Captain Brown of the Sunshine had made his vessel fast to the customs house wharf and she had begun to discharge her cargo. After the flag lieutenant made his report to the admiral, the latter decided he had no authority to interfere and the unloading of the ammunition continued until the entire consignment was deposited in the customs house.

Tampico, June 5.—(Via Brownsville, Texas, June 6).—An official notice was sent today to Consul Clarence A. Miller by Governor Luis Caballero that he had received information of the intention of the federal war vessels Zaragoza and Bravo to come to Tampico for the purpose of bombarding or blockading the port.

For this reason Governor Caballero said he thought it proper to notify the American consul so American war vessels lying off the port might keep out of the line of fire.

It is not yet known what steps are to be taken to drive off the gunboats should they make any effort to blockade the port.

Chicago, June 6.—A verdict awarding \$20,000 damages to Miss Georgia Jay against Homer Rodeheaver, choir master for "Billy" Sunday, Evangelist, for breach of promise to marry, was returned today by a jury in the circuit court.

Later she declared he refused to marry her because marriage would interfere with his career. Taxicab rides, long strolls and discussion of future plans figured largely in the testimony of Miss Jay.

SENATE LIMITS TRUST PROGRAM

Only Trade Commission Bill to Be Reported Out—Other Two Sidetracked.

NEWLAND'S STATEMENT

Administration Senators Deny Intention to Curtail Plans Outlined for This Session.

Washington, June 6.—The senate interstate commerce committee today voted to report out only the trade commission measure of the trust bills. The action was construed by many as an indication of limitation of the administration's program at the present session of congress.

There was no record vote. In a general discussion some senators opposed the motion and others declared themselves opposed even to the bill at the present time. Chairman Newlands said the committee later might take up supplemental legislation and issued this statement:

Newland's Statement.
"The committee determined today to segregate the trade commission from the supplemental legislation and authorized me to present an amendment in the nature of a substitute for my original bill for a trade commission."

"The committee concluded to name the trade commission the federal trade committee, instead of the interstate trade commission, in order to clearly distinguish it from the interstate commerce commission.

No Wholesale Inquisition.
"The fear expressed that this bill will inaugurate a wholesale inquisition of the three hundred and fifty thousand corporations of the country is groundless. This power is substantially the same as is now possessed by the bureau of corporations, and certainly the powers of that bureau have not been exercised in such a way as to annoy the honest business of the country.

"The committee will continue its consideration of supplemental legislation regarding interlocking directorates, holding companies, railway securities, etc., and its action may be on the line of amendments to the trade commission bill or of separate legislation."

Some administration senators declared the committee's action did not foreshadow a curtailment of the trust program at this session. Those inclined to the view that it may pointed out that the committee's action came after conferences with some of the members with the president and emphasized the pressure for an adjournment before the fall campaign.

RAPP WROTE LOVE LETTERS

Affectionate Missives Read in Hearing of Divorce Suit for Madame Schumann-Heink.

DIVA LISTENS INTENTLY

Threatening Letters Sent to Singer by Delinquent Husband and Paramour.

Chicago, June 6.—Letters teeming with words of affection and testimony concerning close association between William Rapp, Jr., and Mrs. Catherine E. Dean, in her New York home, were presented today in the hearing of the divorce suit of Madame Schumann-Heink against her husband, William Rapp, Jr.

Miss Frances J. Ashton, an Auburn hired nurse, who for five months lived in Mrs. Dean's apartments, was questioned and her close acquaintance with the doings of Mrs. Dean and Rapp kept the attention of the crowded court room and apparently were of intense interest to the diva who listened intently. A little identified by Miss Ashton as having been sent by Mr. Rapp to Mrs. Dean was introduced in evidence.

Quotations Presented.

Some of its sentences were:
"Dear Nonnie: This morning brought me a windfall * * * three letters from you and a postal from my sister."

"You are just simply 'Nonnie.' God watch over you and keep you. I do not pray but that wish is as near a prayer as I can come."

"I am falling in love with you all over again and long to have you at the head of my modest little home where your little heart and hands would control everything."

Another letter said:
"Dearest Nonnie, please sign 'Nonnie' and not 'Katie.' Anyone may use the name Katie, but Nonnie is to be secret and sacred. I look up to you and worship you and am entirely, your Billy."

The closing words of another letter read by the attorneys were:
"You are the one woman who can give me happiness once my soul is at peace with itself. Your darling, Billy."

Mrs. Dean Threatens Singer.
Over the objection of counsel for the defendant, a letter was introduced in which Rapp asked Mrs. Dean to write a forcible letter to Madame Schumann-Heink and to threaten her with a suit for damages if the diva coupled Mrs. Dean's name with that of Mr. Rapp. In the letter Rapp gave an outline of the letter which he wished to have written to Madame Schumann-Heink in Chicago. A letter couched in similar language and received by the singer from Mrs. Dean was later introduced.

Miss Ashton told of having seen Mrs. Dean kiss letters which she said were from her "Billy."

"What did you see Mrs. Dean and Mr. Rapp do?" she was asked.

"I saw them hold hands; they kissed each other and sat in each other's laps," was the reply.
